

Formal meeting

Wednesday, April 06, 2016 1:30pm | GPQ's office in SEB

Minute Taker	Bryan Kok (BK)
Attendees	Dr Guoping Qiu (GPQ), Dylan Wang (DW), Gloria Liu (GL), Bob Peng (BP), Suleiman Ramjaun (SR), Bryan Kok (BK)

	Type	Note	Owner	Due
1. Action Points Completed	DONE	BK demonstrates the completed sketch interface to GPQ, complete with color picking, pen size picker, and transition to results interface.		
1.1	INFO	GPQ notes that the color picker interface in its current form may not be convenient.		
1.2	TODO	BK mentions the need to balance convenience with the ability to accurately choose a color while physically looking at a sample image.		
2. Potential improvements	IDEA	GPQ mentions a possibility is to quantize an images colors so that users are limited to the best-suited color palette, to be placed at the bottom of the screen.		
2.1	INFO	Many user experience deficits are present in the app at this stage, such as unintuitive image picking process, nonfunctional buttons, and cumbersome results interface.		
2.2	IDEA	A user manual may be necessary for users to be aware of non-apparent functionality.		
2.3	DECISION	GPQ: Attempt to iron out some of the bugs in order to make the app more suitable for user evaluation, with a tablet device instead of a smartphone.
